

Dear Community Partners,

The San Gabriel Educational Foundation (SEF) invites you to participate in *Energize! The 1st Annual San Gabriel Youth Fitness Expo*. This event will focus on the health and wellness of the youth in our community *and is sponsored in part by a grant received from the San Gabriel Community Foundation*. *Energize!* will bring together local businesses and organizations that offer health, fitness, and youth activities to share information and resources with the families of the San Gabriel Valley. Our youth fitness fair will be marketed throughout the city of San Gabriel and broader community to all school-aged youth and their families. It will be held on Saturday, June 10, 2017 from 10:00 am - 2:00 pm on the beautiful campus of Jefferson Middle School, 1372 Las Tunas Drive. This SEF sponsored event will include live cooking demonstrations, fitness demonstrations, obstacle courses, relay races and other fitness competitions to encourage physical activity while attending the event.

SEF would like to invite you to be a part of this wonderful event and connect your business or organization with hundreds of attendees from the local area. Participation opportunities as 2017 Corporate Sponsors or Event Vendors are available at several monetary levels. As a local business or organization you are an ideal partner for us and we are excited to expose our youth and their parents to the variety of fitness and health activities in the area.

We have included a sponsorship/vendor registration form with detailed information for your review. Vendor space is limited and will fill up quickly. If you are interested in becoming a sponsor or vendor of *Energize!*, please do not hesitate to contact us at [626-451-5465](tel:626-451-5465) or adela.angiuli@sef4schools.org.

The San Gabriel Educational Foundation (SEF) is a dynamic and important part of our community and has been serving the students in our schools since 1986. We thank you in advance for your support and look forward to you taking advantage of this incredible opportunity.

Sincerely,
Dr. Chasity Jennings Nunez
SEF President
