The Emperor's Ostrich

Young dairymaid Begonia has lost her cow Alfalfa. So she has set off on a search across the countryside even though she has nothing but a magical map to guide her. Along the way she meets a mother and baby, a woodcutter, a very dirty young man, and an eight-foot ostrich.

Meanwhile, the emperor has gone missing from the royal palace in a most mysterious manner. Was it murder? Was it magic? It will take all of Begonia's wits to save the empire and get Alfalfa home safely.

Established in 1986, San Gabriel Educational Foundation is the primary fundraising partner of the San Gabriel Unified School District serving students in all eight schools.
