Dear Friends of SEF,

Since 1986, the San Gabriel Educational Foundation has been proudly serving the students of the San Gabriel public schools. During this time, dedicated board members, dynamic volunteers and a multitude of generous individuals, businesses and corporations have worked hard to provide a positive impact on the lives of the students and their families donating more than \$1,000,000 dollars of programming and services to date...your generosity means the world to us!

Now more than ever, students and their families need our support. SEF believes in the healing power of the arts and the benefits associated with self-expression and creativity. Thus, we are thrilled to invite you to join us as we celebrate the creativity and resilience in all of us during our first annual 2021 Art Exhibition, *Dream. Imagine. Create.*

Please join us as we empower our youth to recognize their potential and realize their dreams in this important community-wide celebration by becoming a Presenting Sponsor with a donation. Your donation will be allocated in support of our efforts as we bring the arts to life through this project. This project is a wonderful opportunity for you to gain valuable exposure within our community while showing your commitment to the youth. Financial support of any dollar amount is appreciated. As a show of gratitude, we will provide sponsors giving a donation of \$5,000 or more with banner-naming rights.

About the project: participation in the exhibition will provide a platform for students to explore, develop and express their ideas through the creative process. In addition to a virtual exhibition, various pieces of student artwork will be hung on pole banners in the City of San Gabriel Mission District. Imagine the delight students will feel when they see their art displayed publicly within their community for all to enjoy!

With much gratitude, we thank you in advance for your consideration of support!
