

PAYROLL DEDUCTION AUTHORIZATION FORM

The San Gabriel Educational Foundation (SEF) is the primary fundraising partner of the San Gabriel Unified School District (SGUSD) and supports all eight schools in the District. Since 1986, SEF has raised over \$1,000,000 in funds from our parents, community members, faculty, staff and businesses. This year, our goal is to increase participation in our payroll deduction program. In doing so, we will be able to continue fund a variety of programs and curriculum for all grades, including K-12 music and arts, speech and debate, the Naviance college counseling program, after school library staffing, district wide field trips, the JMS After School Program, teacher grants and more.

Support SEF today by authorizing a regular payroll contribution to SEF from your SGUSD payroll. All donations to SEF are fully tax-deductible!
